

## Steps to do to take dominion over all Jurisdictions

1. Affidavit of Repudiation
  - a. Certified proof of service
  - b. Judgment of un-rebutted affidavit
  - c. (publish); record at the county recorder's office which makes it a "court of record"
2. Passport that reflects your status
  - a. Download DS-11 from United States Secretary of State
  - b. Go to coppermoonshinestills.com fill out the passport exactly the way it is directed
  - c. Get your two passport photos and two forms of I.D. as required
  - d. Make an appointment with Secretary of State passport office (not Post Office) in the a.m. before 11:30 then you can pick up your expedited passport by 3:30 that same afternoon.
  - e. Make a reservation within the following 10 days after the appointment in Canada or Mexico you can cancel after appointment. This helps get expedited passport.
  - f. When you arrive at Passport Office you take with you all of the above items including the Repudiation and you say "Here is my application properly filled out, Here is my photos and my I.D. here is my reservation for expedited service and here is my Affidavit of Status as a State National defined in USC title 8 sec 1101(a) (21) (23) Please issue me a passport that reflects ~~that reflects~~ that status" (then shut up this is all you say)
3. Deed of Re-conveyance (this reconveys your ownership of your ALL CAPS NAME(s) to your Christian given name. This must be recorded to make a court of record.
4. (If possible) PATENT OF NATIVITY. Shows your DNA existed on this soil long before government.
5. A Declaration (optional)
6. If you are a property owner you must patent your land to secure your superior titles
7. MCO/MSO, or Salvage rights for titles (cars, trailers etc.)
8. To take dominion over the air you must have a trust. If you don't have an express (written) Trust then they will imply a trust.
  - a. Trust contains these elements.
  - b. Executor
  - c. Trustee / Fiduciary (you must have a written acceptance by the trustee to be the Trustee) without that acceptance of the Trustee they can pierce the veil.
  - d. A Beneficiary
  - e. Property, assets and income of the trust must be clearly stated.
  - f. Describe how the trust should be managed.
  - g. Trusts are signed in the center of the document. Trust should be recorded anchored on the land if possible.
9. Your business on the land should be in a PMA (private member association) or as a trading company. I recommend a PMA easier to defend.
10. Your entities, vessels, transmitting utilities should be trademarked under a "legal" (of the water) business with.
  - a. License by a state as a for profit business (must have intent to make a profit)
  - b. Bonded or insured for liability could be as simple as a 20-dollar gold piece (1oz)
  - c. Containing its trademarks and copyrights
  - d. Having a product offered for sale in international commerce (website) product could be anything i.e. pens, t-shirts etc. novelty stuff
    - i. Trademarks of business are upper ALL CAPS NAMES (WITH CUSIP NUMBERS)  
TEAS Plus
  - e. Must have an EIN#
  - f. USC title 15 (this is your savior) the State can only regulate commerce it cannot interfere with it!
  - g. Contract between
11. You must claim your Minor Estate!

*If you can get into a passport office*

*No State - only on Application*
